Item 2.02 Results of Operations and Financial Condition.

On February 1, 2024, Meta Platforms, Inc. ("Meta") issued a press release and will hold a conference call regarding its financial results for the quarter and full year ended December 31, 2023. A copy of the press release is furnished as Exhibit 99.1 to this report.

Item 8.01 Other Events.

Meta's board of directors has authorized a share repurchase program of its Class A common stock, which commenced in 2017 and does not have an expiration date. As of December 31, 2023, \$30.93 billion remained available and authorized for repurchases under the program. On February 1, 2024, Meta announced an increase of \$50 billion in the amount authorized for repurchases under the program. The timing and actual number of shares repurchased under the program depend on a variety of factors, including price, general business and market conditions, and other investment opportunities. Shares may be repurchased through open market purchases or privately negotiated transactions, including through the use of trading plans intended to qualify under Rule 10b5-1 under the Exchange Act.

On February 1, 2024, Meta's board of directors declared a cash dividend of \$0.50 per share of its outstanding Class A common stock and Class B common stock, payable on March 26, 2024 to stockholders of record as of the close of business on February 22, 2024.
