Item 7.01. Regulation FD Disclosure

On January 18, 2023, Microsoft Corporation announced to its employees a series of actions it is taking in response to macroeconomic conditions and changing customer priorities. These actions include workforce reductions of approximately 10,000 employees by the end of the third fiscal quarter of 2023, changes to our hardware portfolio, and lease consolidation to create higher density across our workspaces. Collectively these actions will result in a charge of \$1.2 billion in the second quarter of our 2023 fiscal year, representing a \$0.12 negative impact to diluted earnings per share.

This Form 8-K contains forward-looking statements, which are any predictions, projections or other statements about future events based on current expectations and assumptions that are subject to risks and uncertainties, which are described in our filings with the Securities and Exchange Commission. Forward-looking statements speak only as of the date they are made. Readers are cautioned not to put undue reliance on forward-looking statements, and Microsoft undertakes no duty to update any forward-looking statement to conform the statement to actual results or changes in the company's expectations.
