**Item 2.05. Costs Associated with Exit or Disposal Activities.**

On December 21, 2022, we announced a restructure plan in response to challenging industry conditions. Under the restructure plan, we expect to reduce our headcount by approximately 10% over calendar year 2023, through a combination of voluntary attrition and personnel reductions. In connection with the plan, we expect to incur charges of at least \$30 million in the second quarter of fiscal 2023, substantially all in cash expenditures.

**Forward-Looking Statements**

This Current Report on Form 8-K contains forward-looking statements regarding our restructure plans and related charges. These forward-looking statements are subject to a number of risks and uncertainties that could cause actual results to differ materially. Please refer to the documents we file with the Securities and Exchange Commission, including our most recent Form 10-K and Form 10-Q.
