Effective January 1, 2022, Keurig Dr Pepper Inc. ("KDP" or the "Company") updated its presentation of certain of KDP's unallocated corporate costs, primarily related to IT, to be aligned among the Company's segments and to better reflect controllable costs at the segment level.

In this Form 8-K, the Company has summarized the effects of the above changes on its segment reporting to KDP's historical segment results on a reported and comparable (non-GAAP) basis. These changes do not revise or restate KDP's previously reported consolidated financial statements. Additionally, these changes do not revise or restate KDP's previously reported non-GAAP adjustments on a consolidated or segment basis. The Company is issuing this Form 8-K to provide investors with supplemental financial information and historical data that is on a basis consistent with KDP's revised presentation of unallocated corporate costs. In the first quarter of 2022, KDP's financial statements disclosure will reflect this revised presentation, with prior period segment disclosures adjusted accordingly.
