**Item 7.01 Regulation FD Disclosure.**

On March 23, 2021, Intel Corporation ("Intel") issued a press release providing an update on its manufacturing strategy, including its manufacturing expansion plans and its intention to become a major provider of foundry services, as well as updates on its 7-nanometer manufacturing process and product roadmap. This press release is furnished as Exhibit 99.1 to this report. Intel's webcast discussing these updates will be available for replay at [www.intc.com](http://www.intc.com).

On March 23, 2021, Intel also issued a press release providing an update regarding its financial guidance for the first quarter of 2021 and providing full-year financial guidance for 2021. This press release is furnished as Exhibit 99.2 to this report.

**Forward-Looking Statements**

This report and the exhibits attached hereto contain forward-looking statements relating to Intel's business outlook and future plans and expectations, including with respect to Intel's strategy, internal and external manufacturing plans, manufacturing expansion and investment plans including Intel's anticipated Arizona expansion, plans and goals related to Intel's foundry business, future products and technology, and Intel's planned research collaboration with IBM. Such statements involve a number of risks and uncertainties. Words such as "anticipates," "expects," "intends," "goals," "plans," "believes," "seeks," "estimates," "continues," "may," "will," "would," "should," "could," "strategy," "progress," "path," "vision," "course," "formula," "accelerate," and "committed" and variations of such words and similar expressions are intended to identify forward-looking statements. Statements that refer to or are based on estimates, forecasts, projections, and uncertain events or assumptions also identify forward-looking statements. Such statements are based on management's current expectations and involve many risks and uncertainties that could cause actual results to differ materially from those expressed or implied in these forward-looking statements. Important factors that could cause actual results to differ materially from the company's expectations include, among others, the factors set forth in the exhibits attached hereto and in Intel's reports filed or furnished with the Securities and Exchange Commission ("SEC"), including Intel's most recent Annual Report on Form 10-K, available at Intel's investor relations website at [www.intc.com](http://www.intc.com) and the SEC's website at [www.sec.gov](http://www.sec.gov). Intel does not undertake, and expressly disclaims any duty, to update any statement made in this report and the exhibits attached hereto, whether as a result of new information, new developments or otherwise, except to the extent that disclosure may be required by law.

The information in Item 7.01 of this report and the exhibits attached hereto are furnished and shall not be treated as filed for purposes of the Securities Exchange Act of 1934, as amended.
