Item 2.02 Results of Operations and Financial Condition.

On June 3, 2025, CrowdStrike Holdings, Inc. issued a press release announcing its financial results for the fiscal quarter ended April 30, 2025. A copy of the press release is furnished herewith as Exhibit 99.1 and incorporated herein by reference.

The information contained in this Item 2.02 and Item 9.01 in this Current Report on Form 8-K, including the accompanying Exhibit 99.1 hereto, shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, regardless of any general incorporation language in such filings, unless expressly incorporated by specific reference in such filing.

Item 8.01 Results of Operations and Financial Condition.

On June 3, 2025, the Company announced that the Board of Directors has approved the repurchase of up to \$1.0 billion of the Company’s common stock (the “Share Repurchase Program”). The Share Repurchase Program does not have a fixed expiration date and does not obligate the Company to acquire any specific number of shares. Repurchases may be made from time to time using a variety of methods, including open market purchases, privately negotiated transactions, Rule 10b5-1 trading plans and other means. The timing, manner, price and amount of any repurchases will be determined by the Company in its discretion and will depend on a variety of factors, including legal requirements, price and economic and market conditions. The Company currently expects to use the Share Repurchase Program opportunistically depending on the market price of the common stock and other factors, and there can be no assurance that any shares will be repurchased under the Share Repurchase Program.

Forward-Looking Statements

This Form 8-K contains forward-looking statements that involve risks and uncertainties, including statements regarding the Share Repurchase Program and the factors that will impact the amount and timing of purchases, if any, thereunder. A number of factors could cause outcomes to differ materially from our statements, including the risks and uncertainties included in our filings with the Securities and Exchange Commission, particularly under the caption “Risk Factors” in our most recently filed Annual Report on Form 10-K. Accordingly, you should not place undue reliance on these forward-looking statements. All forward-looking statements are based on information currently available to us, and we do not assume any obligation to update any statement to reflect changes in circumstances or our expectations.
