Item 2.02 Results of Operations and Financial Condition.

On April 30, 2025, KLA Corporation (the “Company”) issued a press release announcing selected financial and operating results for its third quarter of fiscal year 2025. A copy of the press release is furnished as Exhibit 99.1 to this Current Report on Form 8-K.

The information in Item 2.02 of this Current Report on Form 8-K and the exhibit attached hereto shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities under that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, regardless of any general incorporation language in such filing.

Item 8.01 Other Events

On April 30, 2025, the Board of Directors (the “Board”) of the Company established a quarterly dividend level of \$1.90 per share on the outstanding shares of the Company’s common stock, which represents the anticipated level at which dividends will be declared by the Board until the Board determines otherwise, beginning with the dividend expected to be declared in May 2025. The declaration and payment of future dividends is subject to the Board’s discretion and will depend on financial and legal requirements and other considerations.

Also, on April 30, 2025, the Board approved a new share repurchase program that authorizes the repurchase of up to \$5 billion of shares of the Company’s common stock. This share repurchase program is in addition to the \$2 billion share repurchase program announced in September 2023, which as of March 31, 2025, had approximately \$457 million of repurchase authority remaining.

Under the repurchase programs, repurchases can be made using a variety of methods, which may include open market purchases, privately negotiated transactions, accelerated share repurchase programs, or otherwise, all in accordance with the requirements of the Securities and Exchange Commission and other applicable legal requirements. The specific timing, price and size of purchases will depend on prevailing stock prices, general economic and market conditions, and other considerations. The repurchase programs do not obligate the Company to acquire any particular amount of its common stock, and the repurchase programs may be suspended or discontinued at any time at the Company’s discretion.
