**Item 1.01. Entry into a Material Definitive Agreement**

On August 10, 2021, Axon Enterprise, Inc. (the “Company”) filed a prospectus supplement under the Registration Statement on Form S-3 (File No. 333-255380), originally filed on April 20, 2021 (the “Prior Registration Statement”), providing for the establishment of an “at the market” equity offering program which permitted the Company, from time to time, to offer and sell up to 3,000,000 shares of common stock, par value \$0.00001 per share. The Company sold an aggregate of 1,045,550 shares of the Company’s common stock through that “at the market” program.

The Prior Registration Statement and the “at the market” program described above expired on April 20, 2024, with an unsold balance of 1,954,450 shares of the Company’s common stock. On May 13, 2024, the Company entered into a new distribution agreement (the “Distribution Agreement”) with J.P. Morgan Securities LLC (the “Agent”) specifically for those 1,954,450 unsold shares that the Company has carried over and registered under Post-Effective Amendment No. 1 filed April 19, 2024 to the Registration Statement on Form S-3 (File No. 333-277559) originally filed on March 1, 2024. Under the terms of the Distribution Agreement, the Company may sell, from time to time, through the Agent, as the Company’s sales agent or principal, up to 1,954,450 shares of its common stock (the “Shares”).

The Shares sold in the offering will be issued pursuant to a prospectus dated March 1, 2024, and a prospectus supplement filed with the Securities and Exchange Commission on May 13, 2024, in connection with one or more offerings of shares from the Company’s automatic shelf registration statement on Form S-3ASR (File No. 333-277559). Sales of the Shares through the Agent, if any, will be made in amounts and at times to be determined by the Company and agreed to by the Agent from time to time, but the Company has no obligation to sell any of the Shares in the offering.

Under the Distribution Agreement, the Agent has agreed to use commercially reasonable efforts to sell the Shares as agreed upon by the Company and the Agent. The Distribution Agreement provides that the Agent will be entitled to compensation at a mutually agreed rate, not to exceed 2% of the gross sales price of the Shares sold pursuant to the Distribution Agreement. In addition, the Company may also sell Shares to the Agent as principal for its own account at prices agreed upon at the time of sale.

Sales of the Shares, if any, under the Distribution Agreement may be made by means of ordinary brokers’ transactions on the Nasdaq Global Select Market or otherwise at market prices prevailing at the time of sale or at negotiated prices, or as otherwise agreed with the Agent. The Company may at any time suspend the offering of Shares under the Distribution Agreement or terminate the Distribution Agreement. The Company intends to use the net proceeds from any sales of the Shares for general corporate purposes, which may include, among other things, providing capital to satisfy a portion of the tax obligations related to the vesting and settlement of stock compensation awards granted to its executive officers and other employees under its stock incentive plans, to support its growth, and to acquire or invest in product lines, products, services, technologies or facilities.

The Distribution Agreement remains in effect until the earliest of (i) a termination by the Company, by the Agent, or otherwise by mutual written agreement of the Company and the Agent, and (ii) the date that all of the Shares have been sold in accordance with the terms of the Distribution Agreement, except for certain provisions in the Distribution Agreement that survive a termination by their terms.

The Distribution Agreement contains customary representations, warranties and agreements of the Company and customary conditions to completing future sale transactions, indemnification rights and obligations of the parties and termination provisions.

This Current Report on Form 8-K shall not constitute an offer to sell or a solicitation of an offer to buy any securities, nor shall there be any sale of these securities in any state or jurisdiction in which such an offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or other jurisdiction.

From time to time, in the ordinary course of business, the Agent and its affiliates have provided, and in the future may provide, investment banking services to the Company and have received or may receive fees from the Company for the rendering of such services.

The Distribution Agreement is filed as Exhibit 1.1 to this Current Report on Form 8-K and is incorporated herein by reference. The foregoing description of the Distribution Agreement and the transactions contemplated thereby does not purport to be complete and is qualified in its entirety by reference to Exhibit 1.1.
