## Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On November 4, 2024, the Compensation Committee of the Board of Directors approved the fiscal 2025 criteria for bonuses to executive officers, with the Nominating and Governance Committee of the Board also approving the environmental and social performance criteria. Executive officers other than the Chief Executive Officer are eligible to receive bonuses up to \$232,000. This amount includes \$80,000 based on targets relating to sales and \$80,000 based on targets relating to pre-tax income. The potential payment attributable to each of these performance goals may be from zero to up to 120% of the target amount, based on the level of achievement. In addition, up to \$40,000 can be earned relating to environmental and social objectives: \$24,000 relating to achievement of quantitative performance metrics (including metrics concerning diversity equity and inclusion, resource consumption, and other emissions and environmental-related areas); and up to \$16,000 based on a discretionary assessment by the Chief Executive Officer of the officers' environmental and social achievements (including, without limitation, progress in controlling emissions).

For fiscal 2025, the Chief Executive Officer is eligible to receive a bonus of up to \$700,000. This amount includes \$250,000 based on targets relating to sales and \$250,000 based on targets relating to pre-tax income. The potential payment attributable to each of these performance goals may be from zero to up to 120% of the target amount, based on the level of achievement. In addition, \$100,000 can be earned relating to environmental and social objectives for achievement of quantitative performance metrics (as discussed above).
